INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Under the provisions of 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicants submit herewith copies of the following publications that the Office may wish to consider in examination of the subject application. The publications are also listed on the attached form PTO-1449.

References AB through AD were cited in the enclosed International Search Report.

The relevance of any foreign-language reference for which an English-language translation or abstract is not provided is as follows.

JP 10-22860 discloses low-pass filters and is discussed on page 2 of the specification.

JP 10-224249 discloses a direct conversion receiver having a low-pass filter and is discussed on page 2 of the specification.

This information disclosure statement is being filed concurrently with this application and therefore no fee or certification is necessary.

Respectfully submitted,

By

George R. Repper, Registration No. 31,414
